TWO TOWNS AMAZED AT HIS RECOVERY

S. Lester Schriver, Given Up to Die, Auctioned Off All His Property.

"You people here in this store don't know anything about this Tanlac compared to what I know," was the characteristic statement made by S. Lester Schriver, a prosperous farmer, R. F. D. No. 1, Main St., Bristol, Conn., as he purchased a bottle of the medicine at Goodwin's Drug Store in Hartford a few days ago.

"I firmly believe," said he, "that Tanlac saved my life, and I could tell you about it for hours. I was very badly in Bristol and Plymouth, knows about my case. I had suffered from stomach trouble for fifteen years and four years ago I had to give up entirely. I was sent to a hospital to be operated on for what was said to be cancer of the stomach. But on examination it was decided I couldn't live through an operation and that I could last but a short time at best. So I went home and auctioned off everything I had, as I never expected to get well."

"I telephoned the druggist to send me a bottle of Tanlac and after taking six bottles there was a great change in my condition. When I finished my ninth bottle I was able to go to work, and have been working ever since. When I started taking Tanlac I was almost a skeleton and couldn't keep down anything I ate or drank. But Tanlac put my stomach in the best of condition and built me up twenty pounds in weight, and I am as strong and well now as any man. My neighbors were so astonished at my recovery that they kept calling me up over the phone and asking what I had taken or done for myself. Now when I feel the least bit out of sorts I always get a bottle of Tanlac."

Tanlac is sold in Norwich by National Drug Stores Corp. and Taftville Pharmacy and in Plainfield by F. L. Mercler; Charles R. Carey, Jewett City, Conn.
